

EXHIBIT 6

IN THE UNITED STATES DISTRICT COURT FOR THE
EASTERN DISTRICT OF OKLAHOMA

JOHN CECIL, on behalf of himself and all
others similarly situated,

Plaintiff,

vs.

BP AMERICA PRODUCTION COMPANY,
et al.,

Defendants.

Civil Action No. 16-CV-00410-KEW

DECLARATION ON BEHALF OF THE BAPTIST FOUNDATION OF OKLAHOMA

I, Joseph E. Hancock, of lawful age, first being duly sworn upon oath, and upon personal knowledge, state as follows:

1. I am a resident of the State of Texas and I work for HighGround Advisors, who operates, manages and is agent for the oil and gas royalty interests for the Baptist Foundation of Oklahoma (the "BFO").
2. BFO is a member of the Settlement Class in the above-described lawsuit.
3. I have had an opportunity to review the Settlement Agreement in this case and other relevant documents made available on the website related to this Settlement. Following my review, I support all aspects of the Settlement, including: the cash settlement amount of \$147 million; BP's implementation of procedures and policies for calculating and paying royalty, as a result of this lawsuit that Plaintiff estimates and BP does not contest resulted in no less than \$35 million already paid to Class Members; BP's agreement to continue certain procedures and policies for royalty payments, which Plaintiff estimates has a value of at least an additional \$40 million over the next seven years; Class Counsel's request for attorneys' fees of \$58,800,000, which I understand to be approximately 26.7% of the overall settlement value of ~\$220 million; Class

Counsel's reimbursement of litigation expenses in an amount not to exceed \$1.6 million; and the case contribution awards, in amounts up to \$450,000, which I understand to be approximately 0.2% of the overall settlement value.

4. First, I believe the Settlement is fair and reasonable and that it provides a great result for the Settlement Class.

5. Second, I support Class Counsel's request for attorneys' fees.

6. Third, I support the request for the Class Representative, John Cecil, and other class representatives in additional litigation to receive up to \$450,000 for their contributions to this case.

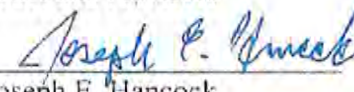

7. Lastly, I support reimbursement of the requested expenses of Class Counsel not to exceed \$1.6 million. I believe that these amounts are fair and should be awarded.

DECLARATION UNDER PENALTY OF PERJURY UNDER 28 U.S.C. § 1746

I declare under penalty of perjury that the foregoing is true and correct.

Dated this 5th day of October 2018, and executed in Dallas County, Texas.
